

PEDRO SEIXAS

PROFILE

I'm a highly skilled VFX Compositor with 13 years of experience delivering high-end, photorealistic visual effects for film and television. I have been at the forefront of several award-recognized shows in North America, including *What We Do in The Shadows* (multiple Emmy nominations for VFX 2022) and *Halo* (VES Awards 2023).

KEY SKILLS

- **High-Performer.** Known for consistently delivering high-quality work under very tight deadlines.
- **Excellent communication.** I clearly articulate solutions and ideas with a team.
- **Technical & creative problem-solving.** I proactively provide quick solutions and optimize workflows.
- **Advanced knowledge of composition techniques,** including projection and camera mapping, multi-pass compositing and AOVs, integration of volumetric elements (smoke and fire), deep compositing, machine learning, among others.

Nuke, After Effects, Stable Diffusion, ComfyUi.
